How are you today?

He's tired. He's tired today. He's tired. He's tired today.
And you? How are you? I'm tired. I'm tired, too.

She's cold. She's cold today. She's cold. She's cold today.
And you? How are you? I'm cold. I'm cold, too.

He's hot. He's hot today. He's hot. He's hot today.
And you? How are you? I'm hot. I'm hot, too.

She's hungry. She's hungry today. She's hungry. She's hungry today.
And you? How are you? I'm hungry. I'm hungry, too.

He's sad. He's sad today. He's sad. He's sad today.
And you? How are you? I'm sad. I'm sad, too.

She's happy. She's happy today. She's happy. She's happy today.
And you? How are you? I'm happy. I'm happy, too.
