

## 2° ano - Code.org - coursec-2019/stage/5

Aulas passadas:

[2° ano - Code.org - coursec-2019\\_stage\\_4.pdf](#)

## 2º ano - Code.org - coursec-2019/stage/5

Objetivo: Completar da fase 1 (vídeo) até a fase 10.

[https://studio.code.org/s/coursec-2019/stage/5/puzzle/1?section\\_id=2830751](https://studio.code.org/s/coursec-2019/stage/5/puzzle/1?section_id=2830751)

The screenshot displays the Code.org Studio interface for 'Fase 5: Depurando no Labirinto'. The top navigation bar shows the stage number '2' and the user's name 'Oswaldo'. The main workspace is divided into three sections:

- Left Panel:** A maze environment with a cat character. Below it are buttons for 'Executar' (Execute) and 'Passo' (Step).
- Center Panel:** A code editor with a workspace containing three blocks: 'quando executar' (when executed), 'avance' (move forward), and 'vire à esquerda' (turn left). A 'repetir' (repeat) block is also visible, with a red arrow pointing to it.
- Right Panel:** An 'Instruções' (Instructions) panel with a speech bubble containing the text: 'Esse código não está exatamente certo! Arrume o código para ajudar Scrat a pegar a nós.' (This code is not exactly right! Fix the code to help Scrat catch us). A red arrow points to this panel. There is also a 'Menos' (Less) button and a play icon.

At the bottom left, there is a section titled 'Ver a solução Precisa de ajuda?' (See the solution Need help?) with a video thumbnail labeled 'Depuração do labirinto' (Maze debugging).

# 2º ano - Code.org - coursec-2019/stage/5

## Solução da fase 2

The screenshot shows the Code.org interface for 'Fase 5: Depurando no Labirinto'. The browser address bar shows the URL 'studio.code.org/s/coursec-2019/stage/5/puzzle/2'. The interface includes a top navigation bar with the course title, a progress indicator (2 out of 5 stages), and a user profile 'Oswaldo'. The main content area is divided into three sections:

- Left Panel:** A maze puzzle with a cat character and various obstacles. Below the maze are 'Executar' and 'Passo' buttons. A section titled 'Ver a solução Precisa de ajuda?' offers help resources.
- Center Panel:** An 'Instruções' box with a speech bubble that says: 'Esse código não está exatamente certo! Arrume o código para ajudar Scrat a pegar a nós.' Below this is a 'Blocos' area with a 'Área de trabalho: 3 / 4 blocos' indicator. The workspace contains a 'quando executar' block followed by a 'repita 3 vezes' loop containing an 'avance' block. Below this, there are 'vire à direita' and 'vire à esquerda' blocks, and another 'repita 2 vezes' loop with an empty 'faça' block.
- Right Panel:** A 'Mostrar código' button and a 'Mais' button.

The bottom of the screen shows a Windows taskbar with various application icons and a system tray showing the time as 16:15.
