

Robótica - ACF Fund I - Lógica de Programação - 2 Procedimentos

Como estão todos?

Conseguiram realizar o item 1 Básico? Espero que sim!

O próximo e mais desafiador será o item 2 Procedimentos.

Gabarito das etapas 1 - 8 do Básico está nas próximas páginas.

E o gabarito do item 2 Procedimentos mandarei na próxima semana.

Boa sorte!

Oswaldo

Gabarito - 1 Básico

1-1

MAIN

Up Arrow, Up Arrow, Lightbulb

Up Arrow, Lightbulb

Navigation icons: back, forward, play, volume, and a double back arrow.

Detailed description: This screenshot shows the first level of a game. A small robot stands on a yellow platform. A green play button is highlighted with a hand cursor. The interface includes a top-left navigation area with back, forward, and play buttons, a volume icon, and a level indicator '1-1'. On the right, a 'MAIN' menu contains three icons: two up arrows and a lightbulb. Below the play button, there are two icons: an up arrow and a lightbulb.

1-2

MAIN

Up Arrow, Up Arrow, Rotate Left, Up Arrow

Up Arrow, Rotate Left, Up Arrow, Up Arrow

Lightbulb

Up Arrow, Lightbulb, Rotate Left, Rotate Right

Navigation icons: back, forward, play, volume, and a double back arrow.

Detailed description: This screenshot shows the second level. The robot is on a yellow platform. A green play button is highlighted. The interface is similar to level 1-1 but with more icons. The 'MAIN' menu on the right contains four icons: two up arrows, a rotate left icon, and another up arrow. Below the play button, there are four icons: an up arrow, a lightbulb, a rotate left icon, and a rotate right icon. The bottom-most row of icons includes an up arrow, a lightbulb, a rotate left icon, a rotate right icon, and a stack of three blocks icon.
