

## Atividade 06 - 3° ao 5° ano - Lógica de Programação - 3 Laços

E aí pessoal? Estou com saudade de vocês, dos Legos e dos robôs também.

Excelente para quem conseguiu realizar o item 2 Procedimentos. Para quem tentou, tentou mas ainda não chegou na solução, o gabarito das etapas 1 - 6 está nas próximas páginas.

E o gabarito do item 3 Laços mandarei na próxima semana.

Boa sorte!

Oswaldo
